Love In the Name of Christ

SOUTH
WOOD
COUNTY

"You shall love the Lord your God with all your heart and with all your soul, and with all your mind. This is the greatest and first commandment. And a second is like it: You shall love your neighbor as yourself. On these two commandments hang all the law and the prophets." - Jesus, Mathew 22:36-40

Training Trip to Treasure Valley Idaho

As we progress with the development of our local Love INC affiliate, national training is a requirement. Our newly hired Executive Director, DaNita Carlson attended the national training in Nampa Idaho. The training was led by Lois Tupy, author of "Redemptive Compassion".

Love INC of Treasure Valley has been a Love INC affiliate since 1990 and has progressed to numerous gap and transformational ministries. One of their areas of focus is on financial literacy addressing the strong need for people to understand and take control of their finances. While there DaNita heard stories from clients about how the Love INC model and ministries helped change their lives.

One of the main themes of the training was "Redemptive Compassion", a biblical philosophy on how we can offer wholistic help to those we serve. It has evolved over fifteen years of working daily

with people who find themselves struggling with needs in their life and unable to overcome them on their own. It challenges many current and common ways of addressing need based upon six core principles: Everyone has value, we are called to invest relationally in each other, everyone has capacity and potential, we must use wisdom and discernment, what we do should transform, and mutual participation is important.

Meet our Executive Director

DaNita Carlson was the Vision Carrier for Love INC of South Wood County; developing a team in late 2015. She loves seeing how God transforms lives through fellowship with others. "Relationships are powerful. A Christ-like relationship, filled with love and acceptance, can help people overcome any obstacle or challenge they are facing. Love INC will be the catalyst for relationships that promote fullness in all areas of people's lives." DaNita has over 25 years of experience working in the South Wood County area. In this time, she's learned one person can make a difference, and a group of people can be a strong force for positive change in a community. DaNita considers it an honor and privilege to serve her community through Love INC.
