LOVE INC OF SOUTH WOOD COUNTY

We partner with local Christian Churches, volunteers, community organizations, and Love INC affiliates to offer assistance, guidance, love and hope to our neighbors, facilitating life-long transformation.

LOVE INC IS:

- A Christian ministry available to all
- Relationship based, empowering; not enabling
- A long-term solution, uncovering root-cause issues
- A partnership, allowing church members to use their God-given talents to help those in need

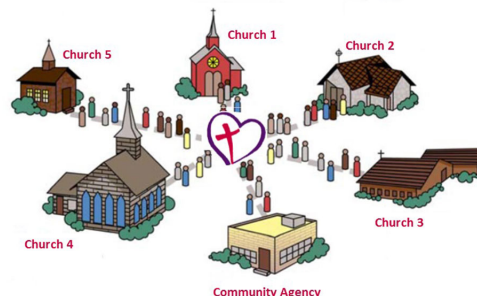

LOVE INC IS NOT:

- Emergency care or services
- A 24/7 response operation
- A direct source of food, gas, housing, or financial assistance
- A short-term solution

HELPING CHURCHES HELP PEOPLE

Love INC of South Wood County is part of a nation-wide network of affiliates in 30 states, with new affiliates being added continually. Through local churches, agencies, and volunteers, Love INC coordinates service - a relational response to callers which brings together Christian volunteers and resources.

Love INC will complement the work already being done by our human service agencies and current ministries. Christian churches, unified and coordinated, are poised to be the perfect catalyst in changing how we address and answer the cries of our neighbors.

LOVE INC CONNECTION CENTER

The Connection Center is the heart and foundation of Love INC and is staffed with trained, compassionate volunteers who listen carefully to each person calling in. Needs are analyzed, verified, and referred to an appropriate church ministry, agency, or church volunteers. The need is met if possible.

Love INC follows up, tracks outcomes, and reports back to the referring organization and partner churches. As gaps in service are identified, partner churches begin to develop ministries to fill them. We are committed to connecting anyone in need with the resources necessary to live a productive and meaningful life.
