From the desk of Larry Daughenbaugh,
Executive Director

Dear Friends of Love INC,

Greetings in the blessed name of Jesus, the One who is still setting the captives free. Isaiah 61:1 says, "The Spirit of the LORD hath anointed me to preach good tidings unto the meek; He hath sent me to bind up the broken hearted, to proclaim liberty to the captives, and the opening of prison to those that are bound."

We could not begin to thank you enough for your generous support of Love In the Name of Christ. Your giving and support to this vital work has made a difference in our community in many, many ways. Lives are being impacted and hearts are being changed through your caring and giving.

As the summer months are upon us, most ministries like Love INC hurt financially as giving is usually down and we are no exception. Indeed, we are greatly in need of your continued financial support especially now during these summer months. We would ask that you please prayerfully consider either a one-time gift or even becoming a monthly mobilizer. Love INC has truly been blessed by friends such as you who have made a difference!

Yes, lives have been changed because of your generosity and kindness in giving. As we move forward, please consider partnering with us. We need you; we need your support in order to continue this vital work in South Wood County.

In His Love,

Larry

"As a member of the Love INC Board of Directors, I am so grateful for each and every one of the volunteers who give their time and gifts to serve our 'neighbors in need'. Thank you so much for being obedient to God's commandment to love your neighbor as yourself and being the hands and feet of Jesus."
