

Helping Churches Help People In South Wood County

Love In the Name of Christ

Thank you!

Our volunteers make Love INC look good throughout the year, so we are grateful to have had the opportunity to celebrate them on August 4th. We had approximately 75 guests eating delicious sub sandwiches and ice cream sundaes. We had friendly conversations, and heard stories of how God is at work in our community. To all of our volunteers, we THANK YOU!

“ I was so encouraged talking with a client who was going through some really rough stuff and feeling alone, judged, criticized, and shamed by everyone. BUT she said every contact with Love INC had been different than what she'd experienced elsewhere. As we prayed and she cried she said, 'I can't wait to meet you people. You seem so kind.' In her world, where kindness is a rarity, God is using His people and His Holy Spirit to touch her heart. That's why we do what we do. To LOVE people and to give them HOPE. WE ARE THE CHURCH - TOGETHER AS ONE!”

LOVE STORY

Last year we shared the Love Story of Millie, a single widowed woman blessed by several Love INC partner churches and volunteers who helped her with moving, grocery shopping, transportation, and a lift chair. A year after Millie was blessed with the lift chair, she ran into issues with it. The right arm was broken and needed repair. Seeing as how Love INC was so helpful in the past, Millie called Love INC again to see if we could help.

As God would have it, a new volunteer from Crossview, one of our partner churches, had experience with furniture repair. He agreed to look at the lift chair for Millie. Lynn's wife, Rachel, also a new Love INC volunteer, was happy to accompany him on the furniture repair assessment. It turned out the repair was minor and Lynn, with Rachel's assistance, was able to fix the arm on Millie's lift chair that same day. Millie was so happy!

She called and left the following message expressing her gratitude: "Lynn and Rachel came over on Saturday and Lynn was able to fix my chair. Thank him again for me. I so appreciate it! And I want to thank you again for finding someone for me because you always come through when I need something. It's truly Love In the Name of Christ!"

Like Millie, we are grateful for all the Love INC volunteers from our partner churches who continue to use their gifts to bless our neighbors in need in South Wood County.
