

Love In the Name of Christ

Love Story

It's always nice to see neighbors helping neighbors. It's an even greater blessing to see a Love INC client helping another client. That was the case for Sam and Kris.

Sam and Kris both struggle with disabilities and called Love INC with different needs. Sam needed help mowing his lawn and was paired with Love INC volunteers from our partner churches over the past few years. He mentioned in a conversation with one of the volunteer Intake Specialists he'd love to be able to take care of the lawn himself. When questioned, he said it would be possible if he had a riding lawnmower.

Later, Kris, who needed help moving his wife into assisted living, mentioned he had a riding lawnmower and no longer could use it due to his disability.

The volunteer Intake Specialist remembered what Sam said in an earlier conversation. She told Kris about Sam and asked if he'd consider donating the riding lawnmower to him. "Absolutely!" Kris said. He would be more than happy!

The Intake Specialist called Sam back and told him about Kris' generosity. She asked him if he would like the riding lawnmower. "Of course!" he said. What a blessing that would be! Love INC connected the two gentlemen and Sam was able to find a friend to go pick up the lawn mower.

Because of Kris' generous heart to help a fellow client, or should we say "neighbor in need", Sam has been mowing his lawn himself this year. He is very thankful for Kris in making that possible! He told us, "The lawnmower is working great! Thank you so much for the contact. It's great! It's wonderful! Kris is a great guy for donating it. Again, thank you for hooking him up with me. Thank you very much."

As Love INC volunteers from our partner churches model what it means to "Love your neighbor as yourself," (Mark 12:31), our client's lives are being transformed in such a way that they are doing it too!

it's a beautiful thing!

From our Executive Director, Larry Daughenbaugh

“And if anyone gives even a cup of cold water to one of these little ones who is my disciple, truly I tell you, that person will certainly not lose their reward.” Matthew 10:42

We are so excited about how God is moving in and through the ministry of Love In the Name of Christ of South Wood County. At Love INC, we strive to meet the needs of those less fortunate with a "hand up" rather than a handout. It is through your generous support and partnership that we can

do what we do. Please check out our gap ministries, where you will find out about some of the services we offer. Through a network of faithful and dedicated volunteers, Love INC seeks to walk alongside individuals and provide them encouragement, and practical tools they need to reach their full potential. We desire to transform the lives of people in chronic need in South Wood County through relationships, classes, and training opportunities. As you check out our website, be sure to check out all programs. If you have any questions, please do not hesitate to contact us. Together we can make a difference, one life at a time.
