

Helping Churches Help People In South Wood County

Love In the Name of Christ

LOVE STORY

Ken* was referred to Love INC by the Wood County Veteran Affairs office. As Ken shared his story, he revealed he had some issues with his girlfriend awhile back that caused him some depression. Things took a downward spiral and before he knew it, his home was out of control. Now he needed to clean out his apartment or vacate it.

To help Ken, a dumpster was coordinated through a member at Christian Life Fellowship and volunteers came forward to help from St. Luke's Lutheran Church and Grace Lutheran. Within three hours the dumpster was full, and it was evident this situation was much greater than Love INC volunteers were able to handle. In addition, there were safety concerns. As a result, the VA's office was notified.

Ken was truly disheartened over the news. However, what ensued was a coordinated effort between the Veteran Outreach Recovery Program, Love INC, and Ken's landlord. A plan was put in place to move Ken to a motel temporarily while his apartment was cleaned

out. Love INC volunteers from St. Luke's and Grace were called on again to help move some of Ken's belongings into storage.

Six months later Ken moved into a new apartment. His landlord hired a cleaner to help keep his environment clean and livable. Although Ken didn't move back into his old apartment like he'd hoped, he fit in much better with his new neighbors and hit it off with an elderly lady that everyone helps take care of.

A year earlier Ken was in a pit of despair, but today he's seeing a counselor and doing much better. After settling into his new place, he told his landlord, "I am so happy." We are rejoicing how God provided for Ken and the ways He worked through the VA's office, Love INC, and the big heart of his landlord who is now considering being a Love INC volunteer.

FALL INTO FASHION SHOW

Thank you to those who recently attended or volunteered the Fall Into Fashion event in November! It was so nice to see all the many friends of Love INC, but especially nice to make so many new friends. We had 100 women who had a lovely brunch while seeing volunteers model current fashions. The reviews from those who attended, were five star! Thank you to [Rustic Redefined Boutique](#) for making our day possible, and oh soooo special.

Some thoughts from her friends and colleagues

To say that we will miss Jonna on the board is a large understatement. She served as my mentor in 2020 when I joined the board and has been a source of knowledge and experience for me as well as all board members. We have come to trust her attention to detail, organization, and time sensitive delivery of important documents needed for each and every meeting. She has been such a faithful servant, always willing to work on committees and do extensive research on which we plan and make decisions. God has certainly used her on the board for the betterment of all of Love INC. Thank you, Jonna, for sharing your talents and gifts for these past 6 years!

Jean Sorenson, Board Chair

It's been my pleasure to serve along-side Jonna "from the beginning!" I've been encouraged and inspired by her diligent investment in Love INC over the years. Her passion for this ministry is palpable! Jonna is a life-long learner and consistently pours herself into learning as much as possible so she can bring great information to our local affiliate. She keeps us moving forward. If Jonna says she will do something, you can always count on her. I'm so grateful God chose to place her in Love INC, and I count it a blessing to know her.

Diane O'Connor, Volunteer

Thorough, exceptional, and dedicated, are just a few of the many characteristics that describe Jonna and her service to Love INC of South Wood County. Jonna's tenure on the Board of Directors of Love INC has made an incredible impact and contribution in our community in so many ways.

Indeed, her time with us was divinely appointed and I thank God for sending her to us for such a time as this. We will miss her but wish her well as she enters a new season. Thanks, Jonna, for all that you have done to make a difference!

Larry Daughenbaugh,

Thank you, Jonna, for your gift of time and talent to Love INC. Your servant heart is a direct manifestation of your love for God and others.
