

Love In the Name of Christ (Love INC) of South Wood County Statement of Understanding Our Church Commitment

We understand church partnerships determine the success of Love INC. Without church partners, there is no Love INC. Love INC is a Christian organization and ministry. All Love INC Partner Churches must be Christian and agree to the Apostles' Creed. As a partner of this Love INC affiliate, we commit to the following:

- Pray for Love INC, neighbors in need, other partner churches, and for unity in the Body of Christ.
- Refer requests for help to the Love INC Connection Center.
- Accept referrals for help from the Love INC Connection Center to our existing ministries.
- Appoint a church contact (Ambassador) to be a liaison between Love INC and our congregation.
- Encourage church members to participate in the ministry of Love INC by sharing their time, talent, and treasure.
- Follow up with people who have received help through Love INC.
- Create or partner with other churches to develop a ministry to fill a "gap" in community services.
- Participate in the financial support of Love INC (this may look different for each church, i.e. monthly giving, grant or endowment funds, or an annual mission's collection).

Our church is committed to the mission of mobilizing churches to transform lives and communities In the Name of Christ. We agree to the partner actions bulleted above.
