MOBILIZING LOCAL CHURCHES TO TRANSFORM LIVES AND COMMUNITIES IN THE NAME OF CHRIST

LOVE STORY

Every day, people in any given community face difficult times. They are dealing with spiritual, physical, emotional, relational, and material challenges.

Within the same community, churches are called by God to care for their neighbors, share resources, invest relationally, and show the love of Christ. Yet, no one church can meet all of these varied needs, nor should they be expected to. It takes collaboration across denominational lines, and among the community.

Love INC of SWC has 19 partner churches, of various denominations, that are united together in purpose to help our neighbors in South Wood County. Our collective goal is to build relationships that empower life-long transformation.

Collaboration happens every day at Love INC of SWC. In June of 2024 Frank* called Love INC for assistance with a well pump that needed repairs. Frank had worked in the agriculture industry as a farmer for many years until his health issues started in 2013, causing him to be on disability.

After he completed an intake with one of our trained Volunteer Intake Specialists, she prayed with him. She then mailed a personal note of encouragement and reminder of God's love for him.

In early July, Frank contacted Love INC again, seeking guidance. He requested a pastor to visit him at home, as he had questions about the Bible that he hoped could be answered.

A Love INC volunteer from River Cities Church, Chuck Bradbury, a former pastor, and his wife Pat, graciously visited Frank. They had a warm conversation and addressed his questions. Pastor Chuck then presented the opportunity for Frank to accept Jesus Christ as his Lord and Savior. That day, Frank prayed and accepted Jesus into his life. Praise God!

A few short days later, a volunteer from a partner church, Bethlehem Lutheran, was able to fix Frank's plumbing and pump issues. Once the relationship with Love INC was established, there were many interpersonal community connections, as well as efforts from our network of volunteers and staff who offered their time and compassion to assist Frank.

In November of 2024, we were saddened to hear that Frank passed away very suddenly. River Cities Church Pastor, Scott Kaczorowski, beautifully concluded this story for us when he said, "If Frank had not requested a visit, and Chuck and Pat had not gone out to pray with him, he may very well have entered into eternity just a few months later without Christ. This story underscores for me the deep importance of what we are doing as we seek to meet peoples' needs and connect them to Jesus."
