Helping Churches Help People In South Wood County

A Message From Our Board President

July 2025

On behalf of the Board of Directors for Love INC SWC, I would like to thank Pastor Eric Hambrock for his two years serving as our Executive Director. Some of Eric's accomplishments as ED include:

- Organizing the first Electronics Recycling Drive in Wisconsin Rapids
- Organize and facilitate Celebrate Recovery which now has 2 meetings per week, with up to 20 attendees
- Establishing the Founder's Day event which recognizes and honors those who helped start Love INC of SWC
- Assist in finding and leasing rental warehouse space for our Love It Again Thrift Store
- Host the first Baptist Convention week in Wisconsin Rapids

We are grateful for his leadership and spiritual guidance during his time. We wish him the best path forward.

At the same time, we are pleased to welcome former Executive Director Larry Daughenbaugh back into the Executive Director position. Larry has graciously stepped into the role after leaving his post as Store Manager of the Love It Again Thrift Store. He is in the process of mentoring a new Store Manager, Tracy Frazier, over the next couple of weeks.

Tracy comes to us from Milwaukee where he has a lot of experience working at the Teen Challenge Thrift Store. Welcome to the team, Tracy!

During this time of change God has been blessing us with His love, peace, and grace. I am so grateful for all the volunteers who have stepped up in many ways to help this transition go as smoothly as possible. I am excited about the future of Love INC of SWC!!

GREETINGS

What a truly unexpected honor and privilege to be back as Executive Director!

As we move into this exciting new season at Love INC of South Wood County, I reflect on the lyrics of a song recorded a few years ago by Chris Tomlin. The song "God of this City" includes the powerful lyrics, "For greater things have yet to come and greater things are still to be done in this city."

Indeed there is no one like our great God, and we anticipate greater things yet to come and still to be done in Wisconsin Rapids and surrounding communities through Love INC's ministry! As we move forward, may our focus be on the mission of Love INC, to mobilize the local churches to bring TRANSFORMATION to communities and lives. I thank you for your prayerful support and look forward to catching up with each of you. Blessings, Larry

Jacalyn Race

Thursday, July 10th

We'll open doors at 5:30 pm for book pick up with a short video presentation, book signing, and Higher Grounds Bakery treats starting at 6 pm.

Jacalyn Race, from Wisconsin Rapids, was living a regular Wisconsin Rapids life. Then, one day, tragedy struck when Jacalyn's abusive ex entered the family bakery and took the life of her beloved husband, Chris. "Up To Higher Grounds" is the title of Jacalyn's book about faith, loss and redemption; how she and her children felt God's embrace through the time of their loss.

Event & Purchasing Book Information:

Held at: Love INC of SWC, 710 20th Ave S., Wis. Rapids
Coffee and treats from Jacalyn's bakery will be provided. Please let us know if you plan to attend the Love INC event. Pre-register for this event (no cost) at highergrounds.faiht. Jacalyn would like to prepare plenty of treats to eat and have books available if pre-ordered. Books are also available on Amazon.
