MOBILIZING LOCAL CHURCHES TO TRANSFORM LIVES AND COMMUNITIES IN THE NAME OF CHRIST

By our Executive Director, Pastor Eric Hambrock

He is Faithful

There is a wonderful hymn of the Church that starts this way, "Great is Thy faithfulness, O God, my Father. There is no shadow of turning with Thee." Psalm 36:5 (NIV) reads, "Your love, Lord, reaches to the heavens, your faithfulness to the skies." It is the trust in God's promises that keeps us moving forward and increases our faith. He promised to forgive us for our sins. He has never failed. He promised to never leave us. He has never failed. He promised that we would find Him if we search for Him with our whole heart. He has never failed. He promised that if we stay close to Him, He will supply our needs, and He has never failed. I encourage you to focus on God's faithfulness to you today. Let His faithfulness take you deeper in trusting Him!

Furniture Delivery

Love INC is seeking churches that can put together teams of three or four people to deliver furniture to our neighbors in need. Many of these folks are starting over in their lives. Some need beds, some a kitchen table & chairs, others a couch or a dresser. It truly is showing the Love of Christ by delivering furniture, encouraging their hearts, and praying together. Serving others in this ministry is another way we bring Hope to our world by connecting people to the body of Christ every day! For more details contact the Executive Director's office.

How comfortable are you *Sharing Your Faith?*

As Christians, opportunities arise to talk about Jesus and our faith with individuals in our community. It may be someone we are helping as a volunteer through Love INC or another organization, a family member/friend who is a questioning or non-believer, or a stranger we encounter.

Love INC of South Wood County is offering a 3-week class, which will equip you to share the gospel with others. We will explore how some partner churches are sharing the gospel in our community, as well as spend some time reflecting on and writing your own testimony.
