MOBILIZING LOCAL CHURCHES TO TRANSFORM LIVES AND COMMUNITIES IN THE NAME OF CHRIST

## Serving With Love

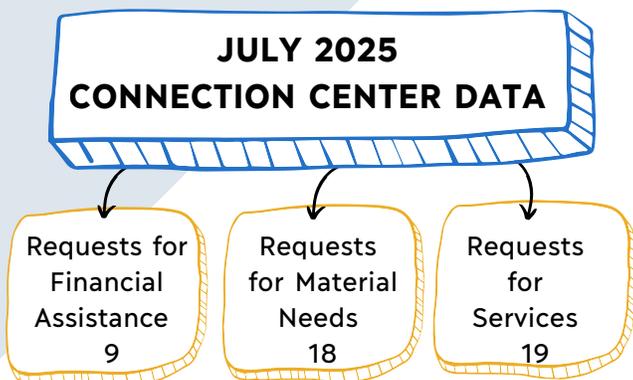

If you've stopped into the Love It Again Thrift Store, you've seen the beautiful jewelry displays that light up the entry. Whether it's fine gold and diamonds, colorful beads, or vintage treasures, each of the pieces is meticulously cared for and placed by Patti and Diane.

Though it may seem unconventional, their ministry is that of jewelry. They generously provide the tags and cards that each piece is placed on, they graciously spend their time sorting and cleaning the hundreds (or rather, thousands) of pieces, and they enthusiastically pour into the people who come alongside them in volunteering (including Karen, a local who has been an immense help.) We are incredibly grateful for their partnership with Love It Again and Love INC, and the way that it builds kingdom impact through personal connection and generating necessary funds.

*"I love meeting and talking with people who come into the thrift shop!" - Diane*

*"Who would have thought serving the Lord would be so much fun?!?" - Patti*

One of our newest volunteer Intake Specialists, Terri, takes a moment to smile for the camera while completing paperwork in the Connection Center.

**AMBASSADOR'S BREAKFAST REFLECTION**

Recently at the Ambassador Breakfast, we took some time to learn about the steps the Connection Center Specialists follow during the intake process. Our board president, Jean Sorenson, shared her thoughts about these faithful volunteers calling them, "the heart and foundation of Love INC." In the October newsletter we will highlight in our Love Story, how they are building Christ-like relationships with those who call Love INC for assistance.

### Join Us For An 8 Week Study

We have questions. Real, important and challenging questions. Questions about family, finances, and forgiveness. Unsettling questions regarding illness, death and eternity. Don't we crave answers to these questions that tug on the deepest parts of our hearts?

Max Lucado has received thousands of questions and wrestled with plenty of his own. In these eight Bible study sessions, one of today's most trusted pastors takes on life's most important questions. Here's hoping that his answers to the questions of others will

help you find answers to your own.

In more than twenty-five years of writing and ministry, Max Lucado has received thousands of questions on topics ranging from hope to hurt and from home to the hereafter. Max writes about the role of prayer, the purpose of pain, and the reason for our ultimate hope. He responds to the day-to-day questions—parenting quandaries, financial challenges, difficult relationships—as well as to the profound: Is God really listening? Join the New Hope Life Skills class this fall to ponder these issues.

## NEW BOARD MEMBERS

Jeff Hoffman and his wife, Pat, live in Port Edwards. Jeff has been retired from the banking industry for over 10 years. Several years ago, Jeff sensed the Holy Spirit leaning on him to

share his addiction experience with others who were still caught up in their own struggles. While looking for the right fit, an opportunity came to join a group at Love INC charged with the task of laying the ground work for a new chapter of Celebrate Recovery.

Out of his Celebrate Recovery experience came opportunities to join the Transformational Ministry committee, and attend classes as a discussion leader. Jeff also joined the steering committee for the Love it Again thrift store in 2023. Jeff found these opportunities to be rewarding and well received by those with a need for a hand up in their lives.

Brian Wolosek works in emergency mental health and adult protective services, with a background in retail management and healthcare social work. He became a board member

because he felt God telling him he needed to do more with his time and to help advance the Lord's Kingdom. He loves being a dad and is thankful for everything the Lord has done for and with him.
